Dear Editor,

This past week, REAL Kiteboarding ("REAL"), in affiliation with sponsors Red Bull, John Wayne Cancer Foundation and Outer Beaches Realty, hosted its 2nd Annual *Triple-S Invitational* freeride kiteboarding competition. The event was filled with awesome kiteboarding in flatwater, in the REAL Slider Park and in the surf. Our media staff was on scene at every location taking countless pictures.

The media and marketing department at REAL would like to offer its support and resources if your publication would like to write a follow up story regarding this event. We would be happy to assist in any way possible, from providing original content, photographs, quotes and/or interviews.

For more information on the week and to see sample photographs in our Triple-S 2007 Slideshow, please visit <http://www.realkiteboarding.com/index.cfm?page=newsitem&id=1311>.

Feel free to contact me directly at 252/995.6596 or at tim@realkiteboarding.com with inquires and requests.

Thank you for your time.

Sincerely,

Timothy Chingos
Marketing and Media Intern
